

Proposed Development

The following items are currently being considered for development, if you would like to provide feedback into the development process, please email us at support@musac.co.nz.

Teacher Portal

- Markbook - enter results by class.

Student and Parent Portals

- Addition of Windows Live authentication.

Version 12.5* – Current Release

*Versioning change to match MUSAC Classic

Teacher Portal

- Addition of the following tabs\functionality:
 - PDF document viewer linked to CM\PDF (Allows view to reports etc).
 - Report comment entry (Requires MUSAC Classic 12.5 upgrade, available early term two).
 - NCEA assessment records, current and history.
 - Markbook - view results and enter comments by student.
 - Markbook - view by class.
- Known Issue:
 - Session timeout currently set to 15 minutes, if data entry takes longer than 15 minutes **without saving**, nothing is saved and the user is returned to the login screen. Please save often.

Parent Portal

- Created Parent Portal and menu structure.
- Google and Facebook Authentication, used to alleviate schools having to manage logins and forgotten passwords.
- Addition of the following tabs\functionality:
 - Personal details.
 - Student timetable.
 - Attendance history.
 - Financial transactions.
 - PDF Document viewer linked to CM\PDF (Allows view to reports etc).
 - NCEA assessment records, current and history.
- Known Issue:
 - When changing an email address from one caregiver to another, the link to the previous caregiver is retained. Please call MUSAC software support for assistance.

Student Portal

- Created Student portal and menu structure.
- Google and Facebook Authentication, used to alleviate schools having to manage logins and forgotten passwords.
- Addition of the following tabs\functionality:
 - Personal details
 - Student timetable
 - Attendance history
 - PDF Document viewer linked to CM\PDF (Allows view to reports etc)
 - NCEA assessment records, current and history

Browser Support

- Classic Web Portals has been tested on the following browsers:
 - Microsoft Internet Explorer v8+
 - Google Chrome v17+
 - Mozilla Firefox v12+
 - Apple Safari v5+

Version 1.1

Teacher Portal

- Teacher log in sequence changed so a log in is required prior to portal selection.
- Initial Teacher Portal tabs available: Personal details, Attendance records, Student timetables, Pastoral records, Student financial records
- Known Issue: Core classes will appear in the Teachers' portal only after the students have been added to the markbook in CM Admin.

System

- Increased security for schools not using https (although this is still the recommended approach).
- Classic Web Portals timeout set to 15 minutes.

Version 1.0

Absences Portal

- Absences portal available.
- Custom display for mobile devices.

System

- Installation of services for synchronising MUSAC access databases with the web-portals mySql databases.
